Ken Harrap, 161 Old Road, Overton, WAKEFIELD, WF4 4RR

E-mail information available: kenharrap@btinternet.com

Map 99 Ref SE280783 Sat Nav HG4 3HQ. ABCXEFG Limit 200

If you want to camp it is essential that you let West Yorkshire know.

See Wendy or Tony if you want to go to either day and want help organising yourself x

Working Weekend

The next working weekend will 10/11 October but may get moved to the following weekend. There will be a lot of autumn tidy upping to do so please come down to help.

AGM

The AGM this year will be Thursday 5th November in the Sport Club. All members are invited and anything that you would like discussed please let me know by Thursday 8th October.

Pool Sessions

We now have a volunteer for organizing this coming winter pool sessions. Viki has taken on this task and is working on 1 session per mid month, which should steer clear of any holiday periods. These will be coached sessions in which everyone can learn basic paddle strokes and rolling skills in a warm and safer environment.

More detail will follow.

Boat Storage at the club:

We have a number of active paddlers who are a bit short and could do with having a vertical space for their slalom boat.

If you currently have a vertical space that you are not using, or could use one of the high horizontal storage spaces equally well, would you let Wendy know, and she'll move your boat ever so carefully onto a top rack.

Wendy x

Important – please can we all remember that if you are on the water at the club and there is no-one in the store the roller doors and personnel door must be locked

If you use club equipment please also remember to sign it out and back in, the book is on the main notice board.

Anything you want on the next newsletter or on the web please forward to me.

Anne
