Newsletter March 2010

Welcome to the Marc newsletter. We have been keeping an eye on weather conditions and hope to resume normal service Thursday 25th February.

I recommend you all keep an eye on the web as I will endeavour to keep that up to date on a weekly basis but may not have time to email everyone with updates due to my work hours having doubled for the next couple of months.

Congratulations

As all slalomists know the new year book has been dropping on our door mats and if you are like Amy you will have been looking at the rankings for club members as well as your friends from other clubs.

I would like to say well done to various members for achievements last year

Beth for being top J16 K1W and also for being top British women's champion. **Go for Gold**

Laura for being highest ranked junior newcomer to Div 1 in 2009. **Go Girl**

Right boys what are you doing letting the girls beat you

Members per Division

Premier K1 2 female and 1 male (who has been reinstated)

Division 1 K1 2 female and 4 male

Division 2 K1 we have no one in this division

Division 3 K1 4 females and 3 male

Division 4 K1 1 male

Division 1 C1 1 male

Division 2-3 C2 We have 3 full members pairs and 2 mixed club pairs

These are excellent numbers for a small club. Well done to everyone for all the hard work that was put in last year by paddlers and coaches alike.

Pool Session

We are holding a number of coach lead pool training sessions. These sessions are ideal to either learn or brush up on kayak rescue training and capsize drills, in a safe, warm and fun environment. Places are limited, so booking is essential.

Rhodesway School, Oaks Lane, Allerton, Bradford, BD15 7RU

The sessions start (be in the water) at 1.30pm-2.30pm. At a cost of £3.50 per session.

Sunday 7th March 2009

Fully booked

Each paddler must bring: a paddle and spray deck (these can be borrowed from the club, however must first be signed out in loaned property book.) Boats are available to use from Rhodesway pool free of charge. **Please note, anyone bringing his or her own equipment must ensure it is**

thoroughly cleaned beforehand as we risk losing use of the pool. If you want to come and help please contact Viki for info.

If you are interested or want to book a place please contact Viki Bailey on [01535 655248](tel:01535655248) or viki.bailey@blueyonder.co.uk

Coaches are also required and must show the staff at the pool their current coaching, first aid and crb certificates. **Thank you to all coaches who have volunteered to run these sessions, without your commitment we would not be able to do this.**

A very big thank you to Auntie Viki for doing such a fantastic job organising the pool session

Winter Trips/Training

During the winter months we run river trips for all abilities. You must have your own transport and to be able to carry your own boat and equipment. If anyone is interested in this sort of thing contact Wendy and myself on bradbingcanoe@gmx.com or acuwoo@fsmail.net

Possible venues include Burrs, Matlock, Slenningford, Rawthay, The River Rawthay, Brathay, Lune, Wharfe if low, Eden, Saltburn, depending on water levels and air temp. Work Day/Tree felling

We are going to have a workday on Sunday 28th February. We hope to get some new bearers up for the slalom gates and also to remove all the electrics from the trees prior to having the tree by the steps cut down. This means that those of you have open fires/wood burners, if you would like logs please let me know, donations towards felling costs appreciated bradbingcanoe@gmx.com. We hope to have the tree down by the end of March.

2010

This year we are hoping to organise club slalom trips similar to the Tully and Tanfield trips. We will ensure that these trips have coaches to help all participants. They may be a full weekend away with camping or just a single day. We will try and make sure they are within a couple of hours drive during the school terms, but during school holidays they may be further a field.

If you will be ranked as a J18 slalom paddler or under at the end of the 2010 slalom season, the club will give you financial help. We will pay half your entry fees for your first four races. When you have done 4 slalom races this year, contact Wendy (acuwoo@fsmail.net) and let her know which races you have done. She'll get the money to your parents as a cheque. Simple. Alternatively, let her know what slaloms you've done at the end of the season if you haven't made it to four. Put a note in your diary so you remember to do it!

Cottages4you partnership – we have gone into partnership with Cottages4you to bring all club members, friends and family a 5% discount on cottage price. There is a dedicated link from the clubs website and a dedicated phone number to dial which shows up on computer screens at work and allows myself and colleagues to add the discount.

As a club we take security of the boat store and personal belongings seriously therefore please remember

Important – please can we all remember that if you are on the water at the club and there is no-one in the store the roller doors and personnel door must be locked

For security reasons do not pass the security code to anyone even club members.
You must contact John who is the only person able to provide the code

john@harringtonbates.co.uk

If you use club equipment please also remember to sign it out and back in, the book is on the main notice board.

Anything you want on the next newsletter or on the web please forward to me. Feed back on web content would be appreciated.
